INSTRUCTIONS FOR COMPLETING THE REGISTRATION FORM CONFINED ABRASIVE BLASTING EQUIPMENT

SECTION A: FACILITY PROFILE

Facility (ID Number & Name) - Enter the New Jersey air pollution facility identification number (ID) followed by the facility name for which the General Permit is being registered. The ID is a five-digit number assigned by the New Jersey Department of Environmental Protection. If you have other air pollution control permits for your facility, you can obtain the ID number from those permits. If you do not have any air pollution control permits, leave this space blank. Your facility name is the one registered with the New Jersey Secretary of State, under which your facility does business.

Street Address - Enter the address of the facility where it is physically located.

Mailing Address - Enter the facility's mailing address. If it is the same as the facility location, check the box provided.

Mailing Instructions & Information - Once the General Permit Registration Form has been completed, it should be mailed along with the appropriate fee(s) to the New Jersey Department of Environmental Protection at the address listed on the front page of the Registration form. The fee is \$250.00 for the confined abrasive blasting equipment being registered. Make checks payable to "Treasurer, State of New Jersey".

County - Enter the county in which the facility is located (**not the mailing address county**).

Location Description - Describe the facility's location if it is difficult to find using the street address. If you have to give a visitor directions to your facility, consider showing them here. (*example*: "Two miles down the access road that leaves state highway 29 at mile marker 10.")

Industry Information - Enter the facility's four-digit primary and secondary (if any) Standard Industrial Classification Codes (SIC). Use the codes registered with the US Department of Labor. You may also refer to the Standard Industrial Classification Manual from the U.S. Office of Management and Budget.

Facility Contact - Check the box indicating the facility contact person for this General Permit Registration. If the owner and operator are the same, check both boxes. Enter the name, title, phone and fax numbers, other phone numbers and type of number (*example*: pager, toll free, cell phone), e-mail address, the organization that the contact person works for, the type of organization (federal, local, public, private, state or utility), the New Jersey Employer Identification Number (EIN) and the contact mailing address.

SECTION B: REASON FOR APPLYING

This section of the General Permit Registration Form provides the Department with the reason the General Permit Registration Form is being submitted.

New Confined Abrasive Blasting Equipment - Check this box if this confined abrasive blasting equipment has not been installed as of the filing of this Registration Form.

Existing Unpermitted Confined Abrasive Blasting Equipment - Check this box if this is existing confined abrasive blasting equipment that is currently not registered with the Department.

Other - Check this box if the General Permit Registration Form is being submitted for a reason other than those described above and provide an explanation. Example: Modification as a result of an enforcement action.

Previous Permit or Certificate Number - If the facility is registering confined abrasive blasting equipment that had a previous permit or certificate, list the previous permit or certificate number.

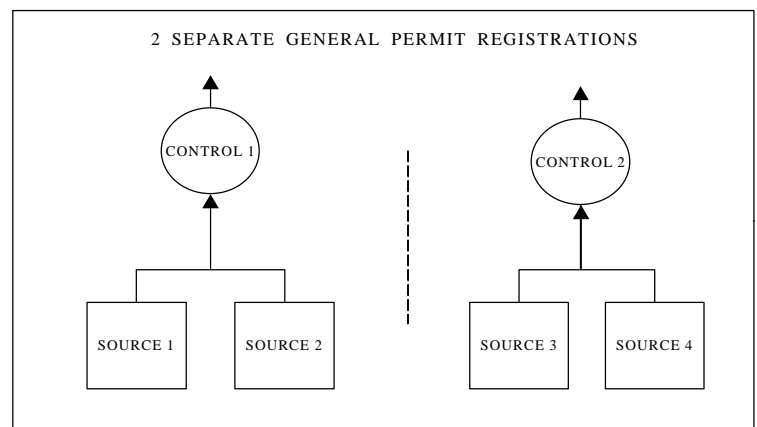

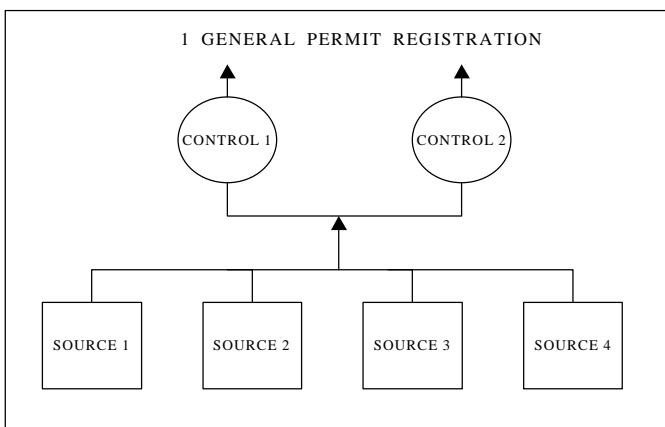

SECTION C: EQUIPMENT INVENTORY

Facility Designation of Equipment - Enter the name by which the facility identifies the equipment. (*example: Building 17 Blasting Equipment # 5*)

Equipment NJID # - A facility may do either one of the two following: **1-** Enter a unique 6 digit identification number (*example: E-000010*) for the confined abrasive blasting equipment covered by this General Permit. Once a number is used to identify the confined abrasive blasting equipment or any another piece of equipment at the facility, the same number cannot be used to identify any other piece of equipment at the facility. (**Note:** If the 6 digit identification number the facility enters is incorrect or conflicts with any number registered with the Department, then the Department will assign the next available number for the equipment); **2-** Leave this number blank and the Department will assign the next available unique 6 digit identification number for the confined abrasive blasting equipment covered by this General Permit. The Department will not assign the same two numbers for any piece of equipment registered for the facility.

SECTION D: PERMITTING SCENARIOS

Registration under this General Permit is for single or multiple pieces of confined abrasive blasting equipment which connect to single or multiple control devices venting to one or more **common** stacks. If a number of pieces of confined abrasive blasting equipment share a control (single or multiple), or have emissions (before or after control) which are manifolded together venting to a common stack(s), then one single General Permit Registration Form can be used. If a number of pieces of confined abrasive blasting equipment vent to separate controls and separate stacks, separate General Permit Registrations are needed.

SECTION E: CERTIFICATION

Print or type the name and title of person, submit with original signature and date the application in the spaces provided:

Individual with Direct Knowledge - Individual listed as the contact person, or any person with direct knowledge of and responsibility for the information contained in the General Permit Registration Form. This may or may not be the same person who signs as the Responsible Official defined below.

Responsible Official - A facility official responsible for the General Permit Registration. A Responsible Official as defined in N.J.A.C. 7:27-1.4 is as follows:

- For a corporation: a president, secretary, treasurer, or vice-president of the corporation; any other person who performs similar policy or decision making functions for the corporation; or a duly authorized representative responsible for the overall operation of a facility (plant manager, etc.).
- For a partnership: a general partner.
- For a sole proprietorship: the proprietor
- For a government agency: either a principal executive officer or ranking elected official.
